The subcommittee met on April 14. The following items were discussed.

Provost Lord updated the committee on the IBHE meeting of April 13. He indicated that discussions at the meeting generally did not address specific budget-related issues, although the IBHE and the university presidents agreed in principle to support IBHE's original budget proposal, rather than Governor's proposal, which cut 2% from the IBHE's recommended budget. Provost Lord distributed copies of several documents to committee members:

- IBHE document entitled "Establishment of the Committee to Review Priorities, Productivity, and Accountability in Illinois Higher Education." The committee members noted the similarities between this plan and IBHE's "Priorities, Quality, and Productivity (PQP)" initiative of the early 1990s.
- "FY2005 Program Priority Budget Requests." This document was used as a reference point for discussion of FY06 budget priorities.
- "FY2003 Student Headcounts and Student Credit Hours." This document was distributed for informational purposes.
